

The chronology as one line: MDS axis 1 (Burrows's Delta), true coordinates

C3-500 no-space, no-reuse build (the chronology of record) — n=126

C3-500 no-space, with-reuse build — n=127

Whiskers: 95% line-bootstrap CIs (fixed-map Gower projection, B=500, seed 20260814), mapped from the percentile scale into coordinate space through the map's own rank-coordinate function. Grey: sub-3k-word units/residues — shown with their intervals, positions not citable (length floor).
